3. [REDACTED] George Murphy, Joint Committee on Atomic Energy staff, called to say that the staff would like to receive the briefing on Soviet capabilities in the deorbiting of satellites sometime this Friday, 13 October. He said he was also interested in knowing whether Philby had any access to Restricted Data information.

4. [REDACTED] The Director, accompanied by Messrs. [REDACTED] and Warner, briefed the Special Subcommittee on National Defense Posture. See Memorandum for the Record.

5. [REDACTED] William Broe and John S. Warner met with Senator Howard H. Baker, Jr., and his assistant, Ed Miller, for approximately an hour for a discussion on [REDACTED]. Mr. Broe seemed to satisfy the Senator on all questions. Since most of the situation on the insurgency was a matter of open record, the Senator asked if we could assist him by giving him a resume of the facts. We agreed to supply this.

6. [REDACTED] Received a call from Tom Korologos, Administrative Assistant to Senator Bennett (R., Utah), concerning further correspondence he has received from [REDACTED]. Korologos would like to get the Senator out of the middle of this and I said we would be back in touch with him shortly. Later in the day I tried to reach Mr. Korologos but he was unavailable and I will try again tomorrow.
